### Village Hall News

The AGM postponed until March had just 3 people other than committee members attend, so no sudden influx of new committee members to help maintain and manage your village hall.

However, at the April committee meeting we did have one prospective new member and 2 replacement representatives, so a belated welcome to them.

The work continues with the ongoing maintenance, cleaning and checking before and after bookings.

**SITUATIONS VACANT..... The committee has decided it would be a good idea to employ a Caretaker. Possibly 5 hours a week, no definite details yet but if you might be interested please contact Jackie 862017.**

It has been a quiet time for events but members of the committee provided refreshments at the recent 'Fun Day' run by the Somerset Rural Youth Project and the Car Boot and Indoor Market held on 26<sup>th</sup> June raised approx. £300 for hall funds. It was a very hot afternoon and lots of other competing events in the area, so this was a good result.

***Don't forget the Flower Show on 21<sup>st</sup> August.....The Flower Show Schedule is being delivered with this newsletter, so you will know what to enter. Any queries please contact Joyce 863545 or Valerie 862905. It was a bumper year last year it would be great to do it again.***

The committee has set the Christmas Sale date for 27<sup>th</sup> November. Yes it will soon be here!

The hall will be judged for the Hallmark Awards later this month. The committee is hoping to continue previous success; this will be the third time for Hallmark One and the second for Hallmark Two. These Awards are indicators of a well run village hall. They are up for renewal every 3 years and having them has helped in the past when applying for funding.

Finally the Village Hall Lottery has almost reached the same take up as last year and for the time being the monthly prize money remains at £40 for 1<sup>st</sup>, £20 for 2<sup>nd</sup> and £12 for 3<sup>rd</sup>, for the monthly stake of £1. It is not too late to enter for the remaining 8 months of the current year. Contact Joyce Holland 863545.

## Newsletter Costs

We hope you enjoy receiving the Village newsletter which is published three times a year. Every house in Odcombe should receive one and a number are also left at The Masons Arms and at Greensleeves Nursery for browsers. It's a good medium for publicising events taking place in the Village and reporting on the regular activities of the various clubs and organisations in Odcombe.

Each individual copy now costs in excess of 30p (we print around 340 copies per publication). Our business advertising rates are as follows:-

**£20** for a half page for the year (all 3 issues),  
**£8** for a single issue

**£12** for a quarter page for the year (all 3 issues),  
**£5** for a single issue

## Odcombe Football Club

Another season over, and into the extra time of the World Cup, hopefully by the time you read this the England followers will have something to cheer about! There weren't many circumstances in the latter part of last season for the Odcombe Army to shout about, the first team managed to hang onto a Division one place by a point or two and the Reserves were not the strongest team in the league (keeping all the others up) by one position, that in itself was a result.

At the Annual General Meeting held at The Royal George the Clubs awards were presented: -

First Team Players Player of the Year (for the second year running) Arthur Riley, Reserve Team Players Player of the Year Jason Rodber, First Team Most Improved Player, Dan Ging,

Reserve Team Most Improved Player, Lee Spurdle, Top Goal Scorer Matty Clark, (21 goals in 15 appearances) England needs him! Most Appearances Barry Facey (34 times on the team sheet) and Clubman of the Year Steve Cook.

The management team remains the same for the forthcoming season. Chairman Glenn Seymour, Secretary Jeff King and Treasurer Colin Francis all up for the challenge of another year and we have introduced a Vice Chairman's post which Steve Cook is taking on as well as keeping the First team "Gaffers" position with Steve Cousins, the Reserve Team assistant manager for last season taking the helm for the forthcoming season being assisted by Jason Rodber. The end of season Rothery Trophy was won by the First Team defeating the Reserves 10-0 although the game was a much closer game than the result suggests, for action shots and team photo's together with a full match report go to our club website [www.clubwebsite.co.uk/odcombecity](http://www.clubwebsite.co.uk/odcombecity) which is being updated regularly so there will usually be something new each week. You can also go internet shopping through this website and a percentage gets back to the club. Well, as the saying goes, every little helps!

We would again like to express our grateful thanks to our kit sponsors Helliard and Sons and W.H.Adams & Sons for their support during the season. Next season the real training starts on Wednesday evenings in July, yes that early! as we are hoping to enter the leagues preseason Hospital Cup competition in mid August, with the full season commencing in September. Both teams are looking out for more players as some will be moving on to pastures new, university, or the old folks home, so if you fancy a go we will be down the recreation ground Wednesday evenings from 6.30 onwards, and when the evenings get darker, indoors at Preston Community Sports Hall. If you want any more details you can always refer to the website or phone Glenn Seymour on 01935863961.

## Odcombe Walkers

Change is in the air at O.W.A. Our long serving secretary is planning to leave the area, but will continue in post at present and I am standing down at the A G M on 24th June, after six years as chairman. More importantly, from 1st April, responsibility for Rights of Way passed from the District Council to the County Council. We would like to record our thanks to the former footpath team at SSDC who were always most helpful when a problem with a path was brought to their attention. Jack Loxston will continue as the Parish Council's Parish Path Representative and any problems should be reported to him or directly to SCC via their web site.

Despite this, like Felix, we keep on walking. Since the last newsletter we have set out from Maiden Newton and Norton in March, Crewkerne, Windwhistle and Corton Denham in April, Odcombe, Eggardon Hill and Chetnole in May and so far in June from Ilminster and Otterton. The four remaining walks on the current programme start from South Petherton, Powerstock, Crewkerne and Compton Dundon. We were also pleased to accept an invitation to walk round the site of the old Odcombe tip. The walks are well supported, but it would be good to have more people from the village joining us.

Finally my thanks to all the members who helped at the Odcombe check point on 9th May. Of the 354 people who did at least one stage of the St Margaret's Walk, 159 of them came through Odcombe.

**Jenny Fox** ☎ 862041

### A message from Pat and Derek...

"I am now home after 3 weeks in Yeovil District Hospital, where they successfully treated me for fluid retention (no not alcohol), and I should like to take this opportunity to offer a big 'Thank You' to all those who sent good wishes, provided transport, and helped Pat and I in so many ways with our sudden emergency.

We really do appreciate the community spirit in the village."

## All Saints Church of England Primary School

I would like to start by thanking you all for the warm welcome that you have given me since I started as Head Teacher of the school in January.

Our country dancing team are looking forward to dancing at the Church fete later in the term and I am looking forward to putting some more faces to names!

The Open Afternoon which was held in June was a huge success. The children from Class 6 gave visitors a tour of the school and the comments which we received from the visitors were extremely positive. The staff and children are proud of their school and this was evident from the way they conducted themselves and talked about their school on this afternoon.

As the sun has begun to shine, it has been wonderful to see the children in the allotments; planting and watching the seeds grow.

The children in the Eco Club and Ralph Forrester have worked hard to make sure the school is considering ways to be greener. They have monitored temperatures in classrooms, reminded us to turn out the lights and re-cycle. Their hard work was recognised this week – when they were awarded the Green Flag Award. Well done to everyone involved.

This is a busy term here are a few dates for your diaries, our Sports Day is on Friday 9<sup>th</sup> July 1.00pm – let's hope the weather is good so that we can all enjoy the afternoon.

The Friends' and Governors' Summer Barbecue is the evening of Friday 16<sup>th</sup> July 6.30pm. You are very welcome to come and join in what is usually a relaxed and fun filled family occasion.

A Commissioning service is being held at the school on Wednesday 21<sup>st</sup> July at 2.30 pm, to welcome me as the new Head Teacher. It would be lovely to see some of you there to celebrate this occasion.

Year Six will be holding their annual Church Service at St Catherine's, Montacute on Thursday 22<sup>nd</sup> July 11.00am. You are all warmly invited to attend.

Looking to the year ahead, please remember we are always looking for volunteer helpers. If you are able to spare an hour or two a week to help in one of the classes, or to hear a child read, then we would like to hear from you. You will be made very welcome, and I am sure that you would enjoy your time whilst helping. Please get in touch if you feel that you may be able to help and would like to discuss it further.

My, very best wishes

## Odcombe Short Mat Bowls

The time between Newsletters seems to fly by, and before you know it Colin is there to remind us it's that time again! Thanks to Colin and the rest of the team who put it all together enabling us to give those who are interested in our game news of what has been happening.

The final results of the Yeovil & District final positions in the League were very close, in Div 1 missing the top spot by 3 points. Though the Div 2 started off very well they faded in the later stages but they accounted for themselves very well and for a lot of that team it was their first experience playing League bowls. The team was well supported by two of our more experienced players.

We finally settled where we are going for our winter break and this year we are off to Torquay, a first time there for us. This venue is well known in the bowling world for its competitions and hospitality.

SSDC held a fun day at the village hall in June and we were invited to lay out a mat and bowling equipment. It turned out to be an entertaining event with a lot of the younger ones trying their hand at it. We haven't seen any at our club nights yet but we live in hope. I would like to thank the members who turned up on the day and those that support the club.

We are playing more friendly games now as we only enter one team in the Summer League. Nice to see old faces again.

## Odcombe Luncheon Club

We have had a busy time since the last newsletter – helpers have been away on holiday, so we went out to the Bell Inn for one lunch. Our thanks go to the staff there who made it a very pleasant outing. The fish and chips they serve there are very good!

We have to also say thank you to Derek Halsall and Jenny Fox, who supplied us with rhubarb, for an extremely tasty Rhubarb Crumble!

We have welcomed several new diners. Lunches are held on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays of the month. If you would like to participate please get in touch with Bridget or any of the helpers.

# Odcombe Parish Church

As mentioned in the last News Letter the sound system has not been the best with feed-back and strange noises (not generated by Rev'd John)! This has now been rectified with help from Trevor Walton who, it transpires, is an expert in these things. We can now hear what is happening in the church and get best of John's sermons. Thanks Trevor.

The 'Village Family Service' held in May was very successful and has attracted more regular attendees at the Family services. It is great to see young children perfectly at home in the Church with no inhibitions over the size or the ambience of the church – I am sure this will help them in their future. The next 'Village Family Service' will be on Sunday 5<sup>th</sup> September at 11.00am - we look forward to seeing you there.

One of the major events in the Church calendar and indeed the Village life is the 'Village Fete'. This year it is being opened by Valerie Singleton one of the original Blue Peter presenters. We are once again holding it in the Mason's Arms field,

with thanks to Paula and Drew who are a great support to us. As always each year it gets better and this year will not be an exception!

We have had many kind remarks about the borders on the Church path and we are very grateful to Nan for her work. Trying to keep it looking attractive is sometimes difficult so if anyone has any low growing perennials to spare please contact Nan on 862874.
